a tradition of  
quality, a lifetime  
of memories

For over 30 years, Marc Williams Goldsmith has brought you the most innovative engagement, wedding, and anniversary ring designs, creating heirloom pieces that you will cherish and love for a lifetime.

With more than 50 combined years of experience in jewelry design and creation, we have continued to evolve our techniques and influences to meet every taste from traditional to modern, and everything in between.

Throughout the years, we have developed relationships with the finest gem cutters in the world. We use only the highest quality diamonds and gems, each exquisitely paired with a setting designed to enhance the beauty of the stone.

We hope you will enjoy this collection, destined to create a lifetime of memories. We thank you for your continued patronage and look forward to a future filled with new adventures and influences to bring to you.

## radiant

Our raised platform settings are designed to allow a wedding band to nestle snugly under the stone setting and against the ring shank, while allowing light to radiate the fire of these expertly cut diamonds.

# everlasting

We can reset your heirloom diamonds to give them new life and continue the legacy, increasing not only their monetary value, but their sentimental value, as well. If you have a tired setting that no longer represents you or fits your lifestyle, we can work with you to design a new setting.

MWG offers a trade-up policy—bring in your current diamond and we will evaluate it and credit it towards the purchase of a new diamond to place in one of our many settings.

We offer a generous selection of premium diamonds from the best diamond cutters in the world in every shape and carat weight. Certified diamonds are also available.

Come in today to learn more about diamonds—yours and ours—and experience the difference that over 30 years of quality, expertise and craftsmanship makes when selecting such an important piece of jewelry. Feel free to call with any questions or to consult with one of our goldsmiths.
