“It’s been over four decades since I exited art school and started exercising our craft. I started with a \$5,000 loan, back when you could buy an ounce or two of gold for a Ben Franklin. Time flies and decades pass, but we have stood strong, developing and practicing solid goldsmith, as well as artistic techniques. We are so grateful to all of you for this opportunity to spend so much time as craftsmen.”

“The truth of  
craftsmanship  
lies in its  
details. It’s a  
representation

proprietor.”
